

A snowman with a stick for an arm and a carrot for a nose stands in a snowy forest. The background shows tall, thin trees covered in snow under a bright sky.

2018

Cross-country ski and snowshoe program

Enjoy the outdoors this winter. From January 6 to March 17, 2018 join the Toronto Bruce Trail Club for Saturday trips to some of Ontario's best nordic ski centres. Glide through forests and dunes on trails groomed for classic and skate skiing, or make fresh tracks on guided or self-guided snowshoe hikes. Leave the driving to professionals and travel with us in luxury highway coaches.

Beginners are welcome on all trips. Some of our guided snowshoe hikes are for fit, experienced snowshoers. On these trips beginner snowshoers are welcome to explore resort trails on their own. Our certified instructor is happy to offer 45-minute complimentary beginner classic ski lessons on some trips. Please read the descriptions in the [hiking calendar](#) carefully before you register for trips.

Registration

Please register online. New members and non-members should email Martina (martinabeatrice@hotmail.com) to register. Registration starts at 9 pm on the Sunday before each trip.

Cancellation policy

The cancellation deadline is 9 pm on the Wednesday before each trip. If you cancel late or don't show up for a trip you will have to pay the bus fare. If you cancel twice you will not be allowed to sign up for subsequent trips. These trips fill up quickly and there are always too many cancellations. Please respect your fellow skiers and snowshoers and only register if you are serious about coming.

Departure location

All trips depart from York Mills Subway station. Buses park on York Mills Rd, in front of the York Mills Centre, at the northeast corner of Yonge St and York Mills Rd.

Coach fare

Coach fare is \$30 for members, \$35 for non-members, and \$15 for children (12 and under).

Membership

Become a member today and join us for winter fun in 2018. Everyone is welcome. To join, go to the [Bruce Trail Conservancy's Membership](#) page, select the type of membership you would like, select "Toronto" as your home club, and enter personal and payment information as prompted. A one-year membership is \$50.

We will go wherever snow conditions are the best, so the schedule below may change on short notice.
