

## HIKING DIRECTOR'S NOTES

### Escape the City

**I am delighted to be Hiking Director. Just like you, I love to get out and about visiting our beautiful country. One of the main reasons people search for the Toronto Bruce Trail Club is to escape the city on the weekends. The pace of life in Toronto is very different to the sorts of places we visit on our trips. There are limitless hiking trails in Southern Ontario that offer a complete contrast in scenery to an overcrowded, busy city like Toronto. We visit all the most popular trails, each of which has its own character and charm.**

**Our team of experienced hike leaders all share a love of the outdoors and have a passion for sharing their knowledge. They are selected for their skills and enthusiasm, and are trained to navigate the most challenging terrain as well as providing incredible hikes in the urban parks and ravines. Our leaders work hard to ensure that we are in safe and enjoyable surroundings. It is our leaders that make our hiking adventures as successful as they are. Building community is at the heart of everything we do.**

**Of all the local hiking clubs we think we offer the best balance in terms of excellent hike leaders, group sizes and variety of locations visited. A trip away with the Toronto Bruce Trail Club is a great way to get that much needed fresh air and healthy exercise. Add in some lovely country pub food or delicious tea rooms and the chance to meet lots of interesting, like-minded people and what are you waiting for? Why not join us on an adventure soon!**

**I look forward to meeting you on the trails!**
