

Toronto End to End Hike on September 14 & 15, 2019

Hikers:

Please join us for our annual self-led End-to-End hike. Enjoy the history and scenery of the Toronto Section by completing the 50 km distance over both Saturday and Sunday or the same distance on Saturday only. If you choose the two day option, you will hike approximately 28 km on Saturday and 22 km on Sunday. There will be a bus to take participants from their cars to the start of the hike, and every 10 -11 km, checkpoints providing some snacks and assistance. Official End-to-End badges are awarded on completion. This is an event for experienced hikers as the terrain is varied and quite challenging. Hikes go rain or shine and no dogs are permitted.

Walking Ferns, the Toronto Club emblem.

Volunteers:

Our End to End is a success because we have volunteers who assist in many ways. As a group, there is a wealth of knowledge. Some ways in which volunteers assist are: being a bus captain, checking hikers in early in the morning, managing checkpoints, purchasing water & snacks, making signs & placing them in strategic places on the trail, helping with parking at Limehouse Community parking, finding lost hikers, and registration. If you are interested in volunteering on September 14 and/or 15 or, with jobs necessary to be completed ahead of time, please send an email to Jacquie Van Dyke (End to End co-ordinator) at Torontoe2e@gmail.com at any time.

The fee for the two-day event is \$40 and the one day, 50 km event, is \$30. It is TBTC's intention to donate any profits to the Bruce Trail Conservancy to help secure land for the trail's optimum route. Registration will open **June 1**. If interested, contact Jacquie Van Dyke (End to End co-ordinator) at Torontoe2e@gmail.com on or after June 1 and an email will be sent with registration information. Space on the hikes will be limited so register as close to June 1 as possible. If you have questions about the event itself, please email Jacquie.
