

### Toronto End to End Hike on **May 30 & 31, 2020**

#### **PLEASE NOTE THE CHANGE IN THE DATE!!!!!!!!!!**

#### Hikers:

Please join us for our annual self-led End-to-End hike. Enjoy the history and scenery of the Toronto Section by completing the 50 km distance over both Saturday and Sunday. You will hike approximately 28 km on Saturday and 22 km on Sunday. There will be a bus to take participants from their vehicle to the start of the hike, and every 10 -11 km, checkpoints providing some snacks and assistance. Official End-to-End badges are awarded on completion. This is an event for experienced hikers as the terrain is varied and quite challenging. Hikes go rain or shine and no dogs are permitted.

The fee for the two day event is \$40 plus any fees associated with Eventbrite. It is TBTC's intention to donate any profits to the Bruce Trail Conservancy to help secure land for the trail's optimum route. For registration details visit [torontobrucetrailclub.org](http://torontobrucetrailclub.org) or the Bruce Trail Conservancy official End to End hikes on their website. If you have any questions, please contact Jacquie Van Dyke (End to End co-ordinator) at [Torontoe2e@gmail.com](mailto:Torontoe2e@gmail.com) on or after March 1 (not before). Space on the hikes will be limited so please check the websites regularly.

#### Volunteers:

Our End to End is a success because we have volunteers who assist in many ways. As a group, there is a wealth of knowledge. Some ways in which volunteers assist are: being a bus captain, checking hikers in early in the morning, managing checkpoints, purchasing water & snacks, making signs & placing them in strategic places on the trail, assisting with parking in Limehouse, finding lost hikers, and registration. If you are interested in volunteering on May 30 and/or 31 or, with jobs necessary to be completed ahead of time, please send an email to Jacquie Van Dyke (End to End co-ordinator) at [Torontoe2e@gmail.com](mailto:Torontoe2e@gmail.com) at any time.
